

US Space & Rocket Center New Horizons Program Overnight

3, 2, 1, Blast off for an out-of-this-world trip!

Join us on our overnight to the Huntsville, Alabama's world-famous U.S. Space and Rocket Center. Tour the rocket park, and see first-hand how big a rocket it takes to send a person into space. Watch an IMAX[®] movie and get an astronaut's view of the Earth. Learn about the New Horizons probe that is scheduled to reach Pluto in 2015. Finally, participate in an exciting series of simulations, and experience what it is like to lift off from Earth!
